WALK-IN-INTERVIEW

Applications are invited from eligible candidates to be appointed purely on temporary contractual basis in the DHR-ICMR funded VRDL for the following posts -

S.N	Name of Post	No. of Posts	Eligibility Criteria	Salary
1.	Research Scientist (B) (Medical)	1	See Appendix - 1	Rs. 56000 + HRA (Rs. 64000/- approximately)
2.	Research Scientist (B) (Non-Medical)	1	See Appendix - 2	Rs. 56000 + HRA (Rs. 64000/- approximately)
3.	Research Assistant	1	See Appendix - 3	Rs. 35000/- consolidated
4.	Laboratory Technician	2	See Appendix - 4	Rs. 20000 + HRA (Rs. 24000/- approximately)
5.	Data Entry Operator	1	See Appendix - 5	20,000/- consolidated
6.	Multi-Tasking Staff	1	See Appendix - 6	18,000/- consolidated

Application along with a passport size photo and self-attested copies of all relevant documents should be submitted in combined pdf format through Email ID on vrldaiimskalyani@gmail.com before **12.05.2022** up to **11:59 PM**.

Shortlisted candidates based on their CV shall be called for a Written test followed by interview of eligible candidates on **19.05.2022 at 10.00 AM in Department of Microbiology, 4th Floor, Medical College Block (Academic Block – 1), at AIIMS Kalyani**. The candidate should come with all original documents along with one photocopy set and valid photo ID at the time of interview.

In case number of applicants are higher than three times of the advertised posts, the applicants will be short listed for interview based on the screening criteria mention in the appendix 1 to 6.

Any canvassing for the recruitment process shall lead to immediate cancellation of candidature. Decision of the selection committee will be final.

Principal Investigator, VRDL & Associate
Professor & HOD in-charge, Dept. of
Microbiology, AIIMS Kalyani, West Bengal

Appendix-1 :-

RESEARCH SCIENTIST (B) (MEDICAL)

Essential Qualifications:

MBBS with registration recognized by MCI

Or

BDS (Dentistry) / B. V. Sc (Veterinary Sciences) degree with registration recognized by DCI / VCI with one year experience

Desirable Qualifications:

- i. MD / MDS / M.V.Sc in a related subject from a recognized university
- ii. PhD in a related subject from a recognized institute
- iii. Additional Postdoctoral research / training experience in relevant subjects in recognized institute(s)
- iv. Preference will be given to candidates having experience in virology / molecular diagnostics related laboratory work, NABL accreditation, and knowledge of computer applications.
- v. Two years Research experience in relevant subject after obtaining essential qualification.
- vi. Higher qualification & experience more than the essential qualification in the relevant discipline will be an advantage for shortlisting.

Notes :

- i. MD / MDS / M.V.Sc degree in relevant subjects shall be treated equivalent to three years' experience.

Appendix-2 :-

RESEARCH SCIENTIST B (NON - MEDICAL)

Essential Qualifications:

1st class Master's degree in relevant subject from a recognized university

Or

2nd class M.Sc. + Ph.D degree in relevant subject from a recognized university.

Desirable Qualifications:

- i. Preference will be given to candidates having experience in virology / molecular diagnostics / genetics related laboratory work, NABL accreditation process, and knowledge of computer applications
- ii. Two years Research experience in relevant subject after obtaining essential qualification.
- iii. Higher qualification & experience more than the essential qualification in the relevant discipline will be an advantage for shortlisting.

Notes :

- i. PhD degree in relevant subjects shall be treated equivalent to three years' experience.

Sample

Appendix-3 :-

RESEARCH ASSISTANT

Essential Qualification:

MSc / MSc MLT in Microbiology / Virology / Genetics / Molecular biology / Biotechnology with one year experience
Or
B. Tech in Biomedical Engineering with one year experience

Desirable Qualifications:

- i. Preference will be given to candidates having experience in Biomedical Engineering and maintenance of medical laboratory equipment, or suitable experience in virology / molecular diagnostics / genetics related laboratory work, NABL accreditation process and knowledge of computer applications.
- ii. Two years' experience in relevant subject after obtaining essential qualification.
- iii. High qualification & experience more than the essential qualification in the relevant discipline will be an advantage for shortlisting.

Appendix-4 :-

LABORATORY TECHNICIAN

Essential Qualification:

MSc MLT / BSc MLT / DMLT with one year experience
Or
MSc. Microbiology / MSc. Biotechnology or relevant subject with formal training in methods related to molecular diagnostics.

Desirable Qualifications:

- i. Preference will be given to candidates having experience in virology / molecular diagnostics related laboratory work, NABL accreditation, application of molecular methods and knowledge of computer applications.
- ii. Higher qualification & experience more than the essential qualification in the relevant discipline will be an advantage for shortlisting.

Appendix-5 :-

DATA ENTRY OPERATOR

Essential Qualification:

Graduate from a recognized University with knowledge of data entry work.

Desirable Qualifications:

- i. Knowledge of Computer Applications with good typing skill for data entry work.
- ii. Experience in Data entry a medical diagnostic laboratory & store and inventory management.
- iii. Independent communication skills in English language with knowledge of gene & following up physical e-file noting's in Government/PSU/Healthcare industry sector.
- iv. High qualification & experience more than the essential qualification in the relevant discipline will be an advantage for shortlisting.

Sample

Appendix-6 :-

MULTI TASKING STAFF

Essential Qualification:

Higher secondary pass 12+ or equivalent from a recognized board.

Desirable Qualifications:

- i. Experience & recommendation of working in clinical laboratories in past.
- ii. Knowledge of infection control & handling of Biomedical waste.
- iii. High qualification & experience more than the essential qualification in the relevant discipline will be an advantage for shortlisting.

INSTRUCTIONS TO CANDIDATES

1. Age limit of the candidates less than 45 years on the day of notification released.
2. Upper age limit may be relaxed /altered at the discretion of the authority in case of exceptionally suitable candidates.
