

SIMULUS 8

SIMULUS 8 CONFERENCE PROGRAM 24th SEPTEMBER 8:45 AM – 5.30 PM IST

8:45-11:50 Theme: Integrating Simulation to Patient Care

- 8:45-9:15 Registration and Welcome Address
- 9:15-9:30 **Keynote:** Ten Simulation Lessons learned over 30 years
- 9:35-9:50 **Plenary:** Building a Simulation community: Make the impossible possible
- 9:50-10:50 **Research:** Simulation research oral presentations
- 10:50-11:30 **Inauguration, PediSTARS Excellence Awards, Secretary report**
- 11:30-11:50 **Exhibition Hall opens, Tea with networking**

11:50-14:30 Theme: Why we climb - Reaching the summit

- 11:50-12:35 **Panel:** How do I Build my Simulation Centre and get Return On Investment (ROI)
- 12:35-13:30 **Integrating Simulation to Patient Care:** Journey of Simulation facilitators
- 13:30-14:30 **Poster Presentations, Lunch**

14:30-17:30 Theme: Innovations in Simulation

- 14:30-15:00 **Breaking the barriers to Equity:** Diversity, Equity and Inclusion (DEI) in simulation

Hall-A

15:00-15:40 Panel- Building the future of next generation of healthcare team: Competency Based Simulation Curriculum, NMC guidelines & more

15:40-15:55 Stem the Tide: Simulation program for **prevention of violence** against healthcare professionals

15:55-16:15 Democratizing access to Pediatric Simulation (Simbox)

Hall-B

15:00-15:45 Panel- Nursing council simulation guidelines and road map for integrating simulation

15:45-16:00 Interprofessional Education & collaborative practice through simulation

16:00-16:15 My journey as a Nurse simulation educator

- 16:15-16:30 **Plenary:** Simulation research- Reaching the lives of unknown
- 16:30-17:00 **Keynote:** Integrating Simulation & Immersive Technologies throughout healthcare: Transforming Education, Safety and Experience
- 17:00-17:10 **Looking into the future of Simulation:** Simulation next 10 years India + Global
- 17:10-17:20 Integrating simulation to bed side
- 17:20-17:30 Conclusion, awards to winners of SimWars, Oral & Poster Presentation
